Oregon River Experiences LLC

Participant Agreement

Release and Acknowledgment of Risk

IMPORTANT. READ THIS DOCUMENT CAREFULLY BEFORE SIGNING.

In consideration of being permitted to participate in any way in an Oregon River Experiences LLC (O.R.E.) whitewater rafting trip, I, the undersigned, acknowledge, appreciate and agree that:

I. Certain risks are inherent in river running and wilderness travel, and that while particular skills, equipment, and personal discipline may reduce this risk, the risk of serious injury or death does exist.

The following describes some (but not all) of these risks: Whitewater rapids will be encountered. You could be jolted, bounced, or otherwise shaken during rides through some of these rapids. It is possible that you could be injured due to collision with a portion of the interior of a raft or other equipment necessary to the operation of the trip, or due to collision with other trip participants. Your boat could turn over, or you could be washed overboard, as the result of unexpected wave action, or due to a misjudgment of the rapid on the part of your guide, yourself, or another trip participant. This could result in mental anguish, or lead to injuries, prolonged exposure to cold water, or other conditions leading to impaired health or death, by drowning or other causes. Boats may be slippery, and you could injure yourself or damage or lose equipment by falling into the river or against an object while climbing into or out of a boat. Accidents could occur on land. You could slip and fall during a hike, causing damage to equipment or personal injury. You could be injured due to contact with a rock, log or tree, vehicle, or other natural or man-made object, or due to the acts of wild animals. You could also suffer injuries during the land transportation portions of the trip, whether in an O.R.E. vehicle or other conveyance. Exposure to natural elements including unfavorable weather conditions could result in hypothermia, dehydration, or sunburn. The remoteness of the river canyon could mean that prompt medical assistance is not available; and

II. By signing below I certify that I am aware that whitewater boating entails risks of injury or death to myself. I understand that the above description of these risks is not complete and that other unknown or unanticipated risks may result in injury or death. I knowingly and freely assume all such risks and assume full responsibility for my participation; and

III. I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of O.R.E. immediately; and

IV. I for myself and on behalf of my heirs, assigns, personal representatives and next of kin, hereby release, indemnify and hold harmless Oregon River Experiences LLC and its officers, employees, participants, owners and volunteers with respect to any and all injury, disability, death, or loss or damage of person or property associated with my presence or participation, to the fullest extent permitted by law.

I HAVE CAREFULLY READ THIS DOCUMENT, FULLY UNDERSTAND ITS TERMS, AND SIGN IT FREELY AND VOLUNTARILY WITHOUT ANY INDUCEMENT.
